Triology May 26, 2024

To close out our season we are delighted to present a fabulous jazz concert. Triology is a trio featuring three of Canada's most sought after jazz musicians, Bill Coon on guitar, Miles Black on piano and Jodi Proznick on bass. This group was fashioned after the great early jazz trios of Nat King Cole and Oscar Peterson, and features wonderful arrangements of classic standards, as well as original tunes by the trio members. Jazz so cool you will think an arctic front has "swung" by.
